Additional Comments

Aluska is under saddle, calm with energy and willing to learn. His sire is Abrikos (Grand Prix Horse, Russian Warmblood imported from Russia and his grand sire is Absent, Russian Dressage Olympic Gold Metal Champion). Aluska has extraordinary potential to become a dressage champion and a rare blood line at stud. He is homozygous black, as is his sire and dam. He is registered Orlov Rostopchin (Russian Warmblood) ... the last Czar's household cavalry breed.
